# Ok Alone™

Lone Worker Safety Monitoring

What is Ok Alone?

Ok Alone is a time-based lone worker, safety monitoring system. Lone workers respond to periodic check-in times using the simple mobile app. Their managers can monitor met and missed check-ins from within their Ok Alone account, making it easy to send help if needed.

Ok Alone

Why Choose Ok Alone?

Practical

Ok Alone is effortless to integrate into your daily workflow

Affordable

Ok alone is a cost effective system that makes lone worker safety a priority

Dependable

Ok alone is a well supported system you can rely on
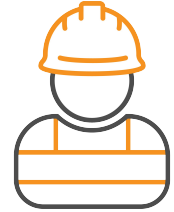

Benefits of Ok Alone

Ok Alone

Intuitive Operation

- **Ok Alone is simple to operate, requiring minimal training and no special hardware**

- **This simple, user-friendly system ensures you won't sacrifice productivity to meet your lone worker safety goals**
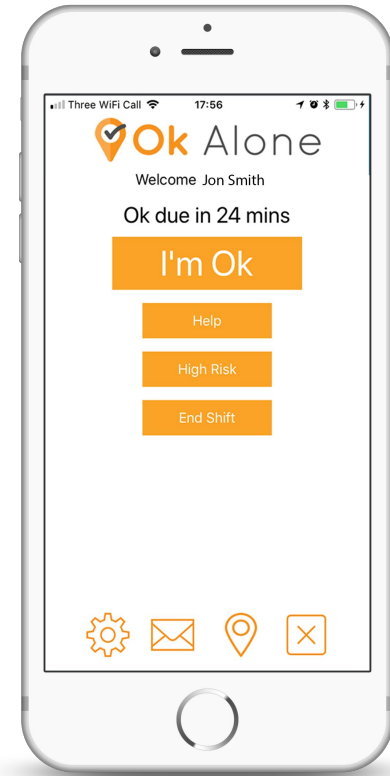

Custom-Fit Solution

- **Ok Alone is a flexible system that can be tailored to meet your particular needs**

- **Customize everything from the check-in process, to the reminder notifications and escalation procedures to fit the way you work**

Optional Live Monitoring

- **Ok Alone's 24/7 Live Operator Monitoring call centre monitors and responds to missed check-ins so you don't have to**

- **Feel confident your lone workers are taken care of, leaving you free to focus on other work responsibilities**
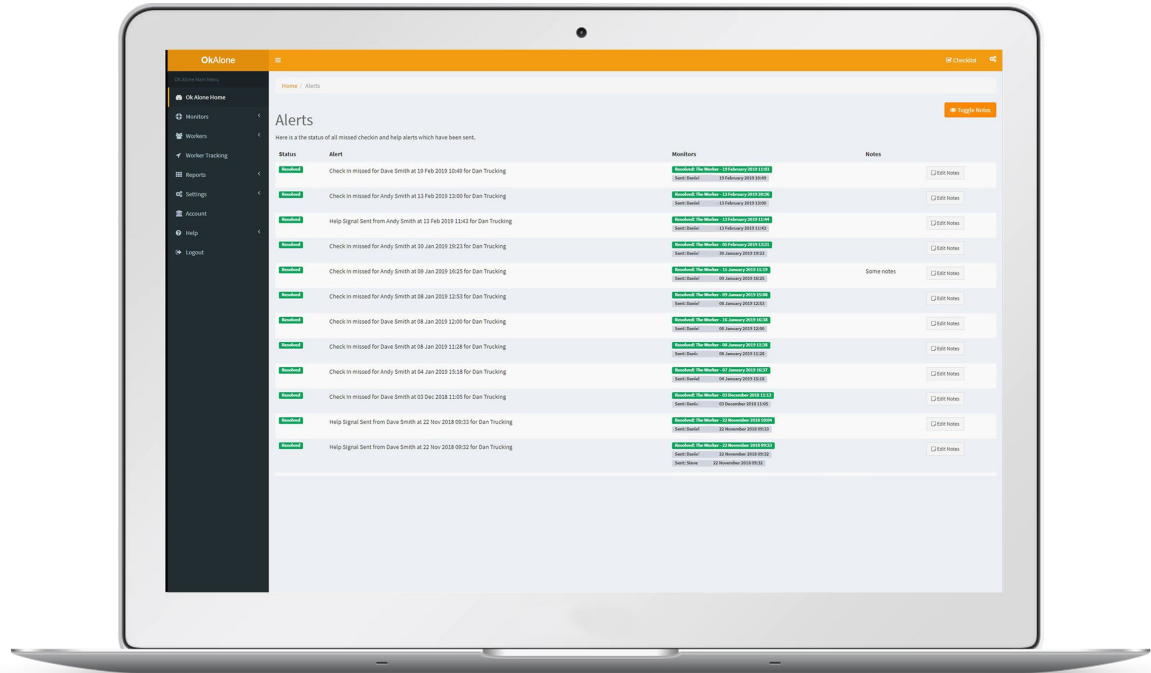

Comprehensive Coverage

- **Ok Alone makes it easy to find lone workers in an emergency, even while they're on the move**

- **Your phone's GPS pinpoints the location of your workers for complete safety coverage**
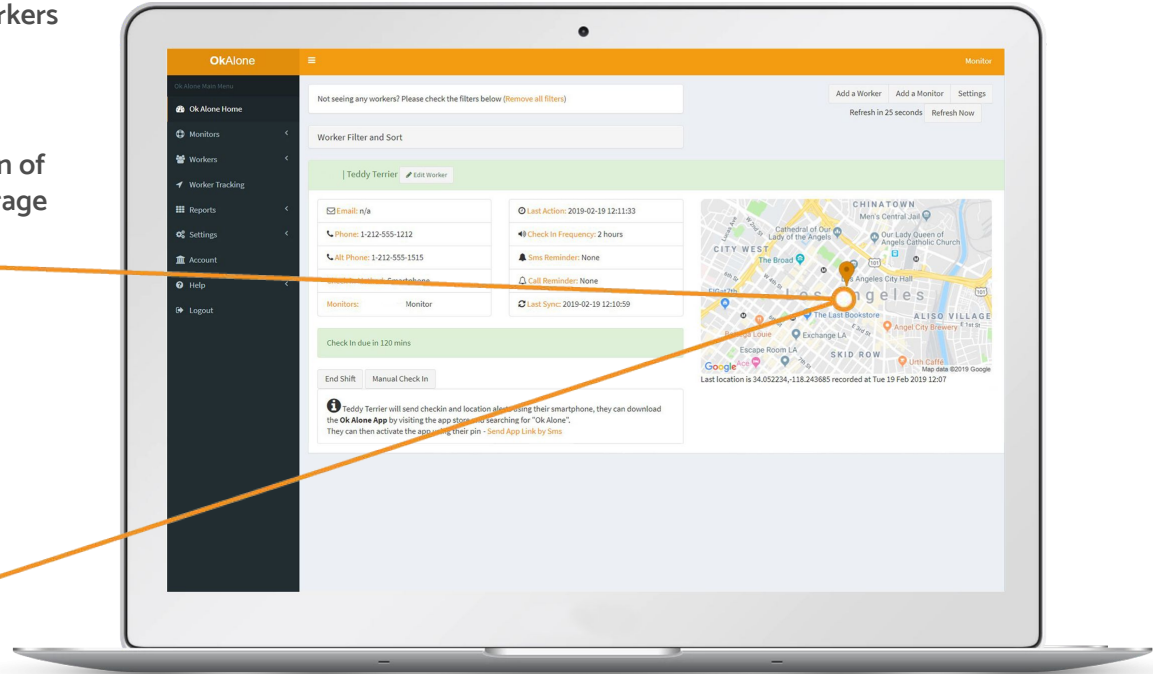

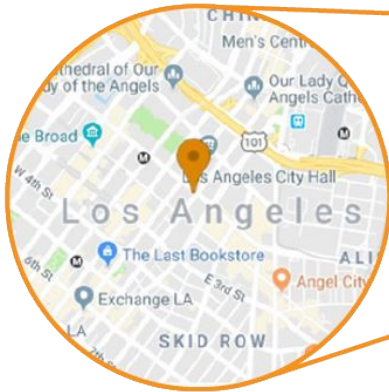

Ok Alone

Quotes

MOSAIC

"I tested a few other apps but once I tried OK Alone I didn't try any more. OK Alone was the easiest to use and had the best settings options to fit our needs. The support was great too, with any questions I had always answered quickly."

- Brendan, Mosaic Homes

Morinville

"I contacted the OK Alone team after hearing of them from a partnering municipality who was pleased with their service. At the time we were shopping around for a service which could provide working alone options at a reasonable price. OK Alone met all our needs, providing the service we wanted at an affordable price. I have happily referred other municipalities to their service."

- Donna Hills, Morinville

COX

"My impression of the OK Alone software (and everybody else who has seen it) is very positive. It is simple, clear and easy to use. We are 100% happy with OK Alone, both the software, reliability and the support/customer care. A great experience from a can-do company"

- Chris Moore, Sulzer Mixpac (Uk) Ltd.
